Remarks : For the 4.30pm pick-up, buses for the 4 routes, the bus will leave AISM at 4.40pm - 4.45pm and there will be a 'bus transit' at the Desa Water Park at 5.00pm for their respective routes. This is because the bus which picked the students at 3.30pm from school will not be able to make it back to school on time to make it for the pick up at 4.30pm. Desa Water Park has ample of space for the buses to park and it is safe for the children to do the transfer, while being supervised by the bus monitors. This arrangement will enable children to reach home on time

* Estimated pick up and drop off time is subjected to weather, traffic and other conditions.

* Students are require to wait at pick up point 5 minutes before the estimated pick up time.
