

AUSTRALIAN INTERNATIONAL SCHOOL MALAYSIA

Enrolment Policy

Enrolment is subject to the availability of places in the requested year group and satisfactory results in the entrance assessment. Enrolment is open to all nationalities.

The school seeks to maintain a student profile of 1/3 Australian & New Zealanders, 1/3 Malaysian and 1/3 other nationalities. Australian and New Zealander families are given priority placement. Nationality is determined on the basis of the passport held by the student.

Expatriate parents

Parents must show evidence of work permit approval or a relevant and valid visa granted by Malaysian Immigration.

Malaysian students

Parents must obtain approval from the local Ministry of Education (MOE) prior to their child / children starting school.

Students from non-native English Speaking Background

All students are required to achieve an age appropriate grade on the on-line test for literacy and numeracy skills. Students from non-native English speaking background who demonstrate capability to improve English and to engage with the curriculum through additional testings will be accepted. In such cases, the students are required to undertake additional English Language support and this additional cost is to be borne by parent.

Waiting lists

Where places are not available in the requested year group, applicants are placed on a waiting list. If an applicant fails to obtain a position during term for which he or she applied for, the application will be automatically transferred to the relevant waiting list for the following term and/or Academic Year Group unless application is withdrawn.

Advance applications

Application for places received in advance (e.g. 4 - 5 months ahead) will be placed on the waiting list until the school is able to determine the leavers and availability of places for the requested term.

To be placed on the waiting list the school must receive a completed application form, application fee and all the required documents.
