

AUSTRALIAN INTERNATIONAL SCHOOL MALAYSIA

Introduction

AISM is the first and only International school in Malaysia with a 100% Australian Primary and Secondary curriculum. The school follows the New South Wales (NSW) Board of Studies Curriculum, the leading curriculum provider in Australia. Its Higher School Certificate (HSC) meets entrance standards for prestigious universities around the world. It caters for expatriate students, ranging from Pre-School through Secondary levels. Former students have been accepted into top universities in the various states of Australia, as well as institutions in Malaysia, New Zealand, Canada and the United Kingdom.

Location

AISM is located at a prime position at the edge of the Southern Lake of Mines Resort City, close to Cyberjaya and the new administrative Capital of Putrajaya. Excellent access via the MMR2, Besraya, Silk, Kesas and North South Highways makes AISM easily accessible from all parts of Kuala Lumpur and the Klang Valley. AISM School Buses service the main student catchment areas on a 'user pays' basis.

Community

AISM commenced operation in the year 2000 and is staffed with highly experienced and well qualified Australian and international teachers. Currently, the school has over 550 students from more than 30 nationalities.

Facilities

The school moved to its current six-acre premises at Mines Resort City in October 2003. Students of the school enjoy an extensive range of facilities including spacious and well-appointed classrooms. Specialist facilities at AISM include
