

AIMS SCHOLARSHIPS

THE AUSTRALIAN INTERNATIONAL SCHOOL MALAYSIA (AIMS)

For commencement in January 2018, the 2018 Australian International School Malaysia (AIMS) Scholarship Program offers Tuition and Admission Fee reduction scholarships for talented students entering AISM in any year level between Year 5 to Year 11. These Scholarships are offered to Malaysian students who are not currently attending AISM. The Scholarship Awards are based on the strength of the student's academic performance, co-curriculum involvement, character and communication skills. The financial situation of applicants may also be taken into consideration. Scholarship recipients will need to pay for any excursions or camps that occur in each year level.

Once the application has been received by the school and reviewed, candidates being considered for a scholarship will be invited to the School for an interview with their parents. If you are interested in applying for a scholarship for entry into Years 5 to 11 in 2018, please complete this application form and return to the Principal's Office. The final percentage of fee remission will be determined on a case by case basis.

Australian International School Malaysia,
22, Jalan Anggerik, The Mines Resort City,
43300 Seri Kembangan, Selangor

Please note that the Scholarships will be awarded on merit and applicants are encouraged to submit their application without delay as places are limited. Students are expected to maintain outstanding academic excellence and be an exemplary ambassador for the School. In a rating scale of "A" to "E", where "A" is the highest grade rating, outstanding academic results are typically a majority of "A" grades for subjects studied with other subject grades at no less than a "B" grade. Furthermore, "an exemplary ambassador" is a person who abides by School rules at all times. Failure to maintain outstanding academic results and exemplary behaviour may result in the termination of the scholarship.
