#### TIMING OF THE ACTIVITIES:

- Most activities run from Monday to Thursday after school between 3.20 pm and 4.20 pm.
- There may be a small number of activities that run outside of these times, there will be no school buses provided. Parents are therefore required to provide their own transport for these students. This includes all morning CCA's - (7.30 am - 8.30 am).

- All enrolments must be made through the Engage Portal. No private arrangements are to be made between the external providers and the parents or students.
- All activities run for a semester.
- All efforts will be made to ensure that students get their first choice; however, some activities accommodate limited numbers. This will be determined by the automatic selection process on Engage with a "first come, first serve" process.

#### FEES & BILLING:

- A cost is charged for those activities where an outside coach/instructor has been contracted to run the program, the activity is off-site or there are costs for consumable items.
- The cost is charged per semester, unless stated otherwise, and is non-refundable. Students may have a 1 week trial time before electing to discontinue the CCA. Pro-rata fees may be applicable in some cases.

- If your child attends the activity for longer than one week, you will be charged the full semester amount. Therefore it is imperative to formally withdraw your child from the activity if they are no longer attending. To formally withdraw your child from a CCA, you must contact the relevant CCA coordinator in person or by email. See below for contact details.
- It is expected that payment of fees are settled no later than 2 weeks after invoices are sent out.
